

Confidential Pastor Reference Form – Cottagers & RVers

Pastor,

_____ has/have applied for a lease on a lot at Delta Lake Bible Conference Center, Rome, NY. Approval will allow them to purchase a seasonal cottage which is on the lot, or have a lease agreement for a permanent RV site.

This is a Christian conference center, and we require those who lease lots to have had a saving experience with Jesus Christ. The purpose for having a cottage at Delta is to participate in appropriate programs for spiritual growth and encouragement. It also is an opportunity for sweet fellowship living in a community with others who share the same precious faith.

It would be helpful for us to have your thoughtful input in this area. Please take a moment to answer the following questions:

How long have you known the applicant(s)? _____

On a scale of 1-5 with 1 being poor and 5 being excellent, please answer the questions below by circling the number which would give us the most helpful understanding.
