Applicant statement:

I/We have received a copy of the Lease Agreement and Exhibits A, B, & C and I/we understand the following: leases were originally made available due to the shortage of camp-owned housing during Family Bible Conference. Attendees were granted leases in order to construct their own living space so that they could participate in the spiritual programming. Additional usage evolved as Conference Center opportunities were expanded. The historical purpose continues to be our current guiding principle. The Conference Center is here for the purpose of ministry; each facet of activities should reflect that purpose. The ministry aspect is first and foremost. All private activity on leased lots is secondary.

I/We agree to pay the quarterly lot lease fees and tax payments within thirty days of the invoice date. The current lot lease fee is \$ \_\_\_\_\_ per quarter for a total of \$ \_\_\_\_\_ annually.

I/We understand that interest will be charged on past due amounts.
